The Furniture Room

until Christmas will be the storm center of interest. Not that the holiday spirit, imbued by holiday goods, will be lacking throughout the rest of the store, but the Dolls, the Games, the Toys, everything that appeals to childish hearts, will be in the Furniture Store.

Boxes and Cases are being opened and their contents made ready for you. The toy world grows apace, but we shall have more to tell of this shortly.

LINENS.

For some reason or other the approach of Thanksgiving Day turns feminine thoughts linenward. We are no better prepared now than at any time, for we endeavor to have our stock always complete. However, this is an opportune time to tell of Linens—table linens particularly.

Bleached Damask, 55 inches wide, 35 cents a yard.

Bleached Linen Damask, 50 inches wide, 40 cents a yard.

Bleached and Half Bleached Linen Damask in Floral and Geometrical designs, 65 cents to \$1 a yard.

Two examples of superior quality Damask, both bleached, full 72 inches wide. One design is carnations strewn on a finely dotted background; the other large pansies on a groundwork of fine satin-finished damask; \$1.25 and \$1.50 a yard respectively.

Linen Napkins from 75 cents to \$1.50 a dozen.

Tray Cloths, stamped or plain, hemmed or fringed, oval shaped or square. Doilies of every sort and size.

SEPARATE SKIRTS.

No matter how cheap the skirt, unless it hangs properly it is not worth the price. This tells of skirts that have that "hang" about them that marks them correct. They are little priced, too. Three examples:

Black Brocaded Skirt.....\$1.75

Black Worsted Serge, tight fitting across hips and back

pocket at side.....4.25

Gray Worsted Serge.....4.50

SOUVENIR SPOONS.

In the bowls of which are embossed views typical of Bisbee, also "Bisbee, Arizona." They are of sterling silver, and come in two sizes—tea and coffee. Neatly packed, as we'll pack them for you, they'll be welcomed as souvenirs by your far-away friends. \$1.50 and \$1 each.

The Hardware Store

is not the prosaic place you think it is. It will furnish many a hint and a help to solving what to give. Christmas is so near that perhaps a hint or two will be welcome. For instance:

Rogers AA Silver Plated Tea Spoons.....\$2 a dozen

Rogers AA Silver Plated Table Spoons.....4 a dozen

A dollar more on a dozen would be nearer the real value of these.

Carving Sets from \$2 a set to \$28 for a five-piece set—pearl handle, with solid silver trimmings.
